

Students' and Parents' Feedback

In this issue of our newsletter, we will be speaking to a few SmartLab students who have done well for their PSLE or O level examinations, including students who have done poorly in the past but made a great comeback. How did they do it? The students and their parents share with us their secrets of success...

Tan Zhiwei (PSLE)

Results: Science – A*

SmartLab: Congratulations on your achievements Zhiwei. Which school are you studying now?

Z: I am now studying in Hwa Chong Institution. It is an IT and savy school. It is a totally different environment and I am trying to get used to the new syllabus and teaching style.

SmartLab: Any good advice for SmartLab students sitting for their coming PSLE examination later this year?

Z: It is important to sleep early and have enough rest. Also, you must remain calm when taking the exams.

SmartLab: In what other areas do you believe has SmartLab helped you?

Z: The topics covered a lot, not just the school syllabus. SmartLab exposed me to challenging questions and it helped me a lot.

SmartLab: Zhiwei, thank you for your time and all the best to you!

Z: Thank you.

Darien The (PSLE)

Results: Science – A*

SmartLab: How have you guided Darien in his preparation for his PSLE examinations?

Mr. The: I did not help out as I relied on SmartLab to prepare Darien for his PSLE. But the family was there for support and encouragement.

SmartLab: Is there any other advice you'd like to offer to fellow parents?

Mr. The: Just keep an eye on your child and keep updated on their progress.

SmartLab: Thank you very much for your time. I would like to speak to Darien.

SmartLab: Congratulations on your achievements. Darien, which school are you studying now?

D: I am now studying in Hwa Chong Institution.

SmartLab: Any good advice for SmartLab students sitting for their coming PSLE examination later this year?

D: Use the SmartLab notes to make mindmaps. Highlight main words/ points in textbook.

SmartLab: In what other areas do you believe has SmartLab helped you?

D: Science is my favorite subject and things related to science. I would like to thank Miss Ng because she did not only cover the topics in syllabus, but also topics outside of syllabus.

SmartLab: Darien, thank you for your time and all the best to you!

D: Thank you.

Bryan Han (PSLE)

Results: Science – A

SmartLab: How have you guided Bryan in his preparation for his PSLE examinations?

Sister: Sometimes

when our parents are not around, I will help out. I will read the textbook first, then use SmartLab notes to help him understand more difficult questions.

SmartLab: Is there any other advice you'd like to offer to fellow parents?

Sister: Family support and encouragement are very important.

SmartLab: Thank you very much for your time. I would like to speak to Bryan.

SmartLab: Congratulations on your achievements. Bryan, which school are you studying now?

B: I am now studying in Whitley Secondary.

SmartLab: How is it over there?

B: I find it to be quite challenging because I have more subjects to learn and the teachers are stricter.

SmartLab: I see. I'm sure it will turn out well. Any good advice for SmartLab students sitting for their coming PSLE examination later this year?

B: Do revision of notes and have lots of practice by doing worksheets and past exam questions. Being calm when taking exams helps too.

SmartLab: In what other areas do you believe has SmartLab helped you?

B: SmartLab has helped me understand a lot of things. The notes they provided made studying easier. My teacher, Ms. Adele Ng, gave a lot of information and answered any questions that I have.

SmartLab: Bryan, thank you for your time and all the best to you!

B: Thank you SmartLab.
