Name of Parent:
School: CHIJ ST Nicholas Girls

Name of Student: Sharon Chan
O Level Results: A Maths A1 / Physics A2 / Chemistry A2

SmartLab: How have you guided your child in the preparation for the PSLE / O level examinations?

Parent: Guided my child by be there for her, encourage support her each time.

SmartLab: Is there any other advice you'd like to offer to fellow parents?

Parent: Be there for your children.

SmartLab: Which school are you studying now?

Student: Anglo Chinese JC

SmartLab: How is it over there?

Student: School days are much longer than secondary school, and much more independent learning required.

SmartLab: Did you panic and feel pressured as the PSLE / O level was approaching?

Student: Yes there was pressure to do well but not much panic.

SmartLab: Please describe your feelings as you received your PSLE / O-level results.

Student: I couldn't believe what I had scored initially as I surpassed the expected LIR5 my school had set.

SmartLab: Please share your secrets of your success with us!

Student: I took my work seriously and make use of the Sept Holiday to do Ten Year Series Question.

SmartLab: Any good advice for SmartLab students sitting for their coming PSLE / O level examination later this year?

Student: Clarify doubts and do your assignments diligently. Study hard but remember to take breaks occasionally to relax.

SmartLab: In what other areas do you believe has SmartLab helped you?

Student: Teachers are helpful.

Name of Parent: Inainee
School:

Name of Student: Muhd Herman
O Level Results: Comb (Chem/Phy) A2

SmartLab: How have you guided your child in the preparation for the PSLE / O level examinations?

Parent: Ask him to revise consistently and set goals.

SmartLab: Is there any other advice you'd like to offer to fellow parents?

Parent: We can't force them to study but we have to motivate them to maximise their potential.

SmartLab: Which school are you studying now?

Student: I will join Temasek Polytechnic on April 2010

SmartLab: How is it over there?

Student: I have not started but I am sure it will be good

SmartLab: Did you panic and feel pressured as the PSLE / O level was approaching?

Student: Yes a lot of it.

SmartLab: Please describe your feelings as you received your PSLE / O-level results.

Student: I was totally happy but relieved more than anything.

SmartLab: Please share your secrets of your success with us!

Student: Don't ever give up. I wanted to quit when I realised I had so many things to do in such a short period of time but I believed in myself.

SmartLab: Any good advice for SmartLab students sitting for their coming PSLE /O level examination later this year?

Student: Start early I started studying quite late around August and regretted not starting earlier because I realised there were so many things to catch up on.

SmartLab: In what other areas do you believe has SmartLab helped you?

Student: SmartLab has made me a more disciplined person and made me realise that if you want to achieve something hard work is a must.
