

# Join Our Membership Scheme!

- Take as many subjects as you want in one year
- Fee can be as low as \$ 66 per subject per month

For a fixed annual membership fee, you can choose to take tuition in as many subject as you want (subject to availability). The subjects we currently offer are:

English  
Math  
Science  
E Math  
A Math  
Physics  
Chemistry  
Biology  
H2 Math  
H2 Chemistry  
H2 Physics  
General Paper  
Economics  
Chinese

Please ask for details of the membership scheme and fees from our Customer Service Officers

## **Refund Policy**

If at any time during the year you should change your mind and wish to terminate your membership early, a partial refund of the membership fees paid will be made. We will recalculate the tuition fees incurred based on non-member rates, and any excess amount paid will be refunded.
